Congratulations, Fiesta Farms, on being named The Stop's 2011 Corporate Citizen of the Year. Your tireless support of our food drive, our coffee and Grow for The Stop veggies, our gardening workshops and our events is helping us to create a strong, healthy and fair city.

And thank you, Fiesta shoppers! Your generous donations allow us to provide hampers to more than 2,000 food bank users per month, many of whom can't afford a full meal every day. With your help, we're changing lives in Davenport West, helping our community members access healthy food, decrease social isolation and learn invaluable food skills.

We need your help now more than ever. We hope you'll continue to support The Stop with your donations, and that you'll consider our food bank needs list while you shop.
